

Naša lekcija se nalazi na stranici 53.

HOW OFTEN DO YOU WATCH TV ? (Koliko često gledaš televiziju ?)

Na ovoj stranici imamo tri zadatka. Pored prvog imate mali podsetnik koji kaže :

never =nula puta, nikad,
once = jednom, jedanput
twice = dva puta
three times = tri puta
four times =četiri puta

Vas zadatak je da kad odslušate CeDe ili pročitate ono što budem napisala, da upišete 5x, 0x, 2x I slično.

Transkript teksta :

interviewer : Sophie how often do you watch cartoons ?

Sophie : Let me think. About five times a week.

interviewer : What about nature programmes ?

Oliver : Once a week .

interviewer . What about music shows ?

Oliver . I never watch them.

Sledeći zadatak uradite samo drugi deo, gde vidite decu kako razgovaraju.

Tekstove prvo naglas pričitajte a potom ih prepisite.

NE ŠALJITE MI KAO DOMAĆI ZADATAK, VEC SAMO PREPIŠITE TEKST U SVESKU.

POZDRAV !
