

## Yummy food

I love travelling around the world,  
Meeting strange people and eating tasty food.

In France, I tasted scrumptious baguette,  
in Italy delicious spaghetti,  
in Russia yummy pancakes,  
and in Turkey superb cake with prunes

I love travelling around the world,  
Meeting strange people and eating tasty food.

In America appetizing cup cakes,  
Finger-licking cinnamon buns with frosting,  
popular Boston cream pie donughts  
And melt-in-your-mouth strawberry cheesecake.

I love travelling around the world,  
Meeting strange people and eating tasty food.
